

TECHNICAL SOLUTIONS ARCHITECT JOB DESCRIPTION

Location: Berkley, CA; Greenville, SC; Syracuse, NY

Full-time position

WHY ADVOCO

It all started with a dream in 2002. Since inception, our vision to earn the title of Trusted Advisor has never been more evident. Advoco's group of individuals, who each possess contagious enthusiasm, makes up a team that strives daily to do something awesome. And we want you to be a part of that team too.

ABOUT ADVOCO

Advoco is a leading management and consulting services company passionate about helping clients transform their organizations by deploying Infor's EAM solution to improve their assets' performance. As the largest Infor EAM consulting and services company in North America, with offices in Berkeley, CA, Greenville, SC, and Syracuse, NY, Advoco is reaching every corner of the EAM market making a difference for our clients every day. Founded in 2002, Advoco has continued to be a premiere resource for anything Infor EAM and leverages our domain expertise in maintenance improvement, configuration, implementation, web service know-how, integration, report development and on-going support.

WHY TOP TALENT JOINS OUR TEAM

Professional Growth:

- Rapid Expansion: With a consistent growth pattern, Advoco provides substantial opportunity for you to grow with the company.
- Work with Fortune 500 companies: Contribute to the Infor EAM success of numerous enterprise organizations.
- Award winning: Receiving high recognition in the EAM industry, Advoco is a team of innovative, hardworking, and proficient professionals.
- Career growth: In business or technical tracks, you will learn from our dynamic workplace with mentorship from a strong leadership team and knowledgeable colleagues.

Atmosphere & Perks:

- Greater than yourself: As an active member of the community, we at Advoco enjoy giving back.

GREENVILLE, SOUTH CAROLINA

BERKELEY, CALIFORNIA

- Culture: In addition to an environment that facilitates personal growth, we more importantly encourage a culture that is fun including fitness challenges, winemaking, philanthropy efforts, happy hours, and our infamous annual Christmas party (previous destinations include the Bahamas, the Dominican Republic, and Nashville, TN).

Flexibility:

- Sometimes life gets in the way; at Advoco we accommodate for life's unexpected challenges.
- Family: At Advoco, we consider each other family. We support one another in and out of the workplace. Whether you have a question or need some advice, you will always have a friend to lean on here.

THE WORK

Your main focus will be contributing to the implementation of the Infor EAM system. This job requires passionate people committed to working together to put forth an innovative product for the client.

Here are some things that are done during project delivery:

- Evaluate the client's business needs and analyze their technical requirements as a member of a small team
- Design the technical solutions to ensure client requirements are met and provide the designs to Advoco solution developers for development
- Assess and develop integration designs to enable client system to interoperate and support cross-system business processes
- Work with the broader Advoco and client project teams to assure technical solution functionality through thorough testing
- Interaction with clients via telephone or email with on-site visits as needed
- Mentor Advoco solution developers in technical and procedural aspects of EAM
- Responsible for development efforts for software enhancements, extensions, defect corrections, and integration of features in Infor EAM
- Look for and work on opportunities for innovative extensions to the EAM product to meet client needs

THE PERSON

- Detailed oriented, solution focused
- Communicative regarding technical designs to Advoco's team and the client
- Innovative and creative technical problem solver
- Flexible to travel (some minimal travel may be required)

THE SKILLS

- Expert knowledge of Structured Query Language (SQL), particularly PL/SQL and T-SQL
- Strong command of object-oriented programming, e.g. Java, C#, VB
- Experience designing and implementing systems that use integration middleware tools
- Excellent interpersonal, written, and verbal communication skills to create and maintain long-lasting client relationships
- Ability to communicate convincingly and effectively with different parts of the organization
- Rigorous attention to detail and a strong focus on building client relationships
- Innovative problem solving and critical thinking approaches to proactively solve a broad range of business issues across technologies.

THE EXPERIENCE

- Bachelor's Degree or Master Degree in an analytical field such as Computer Science, Engineering, or equivalent work experience
- Minimum of 5 years of experience developing software solutions in a business setting
- Excellent presentation, verbal, written, and interpersonal communication skills in order to engage effectively with clients, trainees, and internal management

THE BONUS

- Experience with modern web development, e.g. HTML5, ExtJS, jQuery, etc.
- Scripting experience, e.g. Python, ANT.
- Skills in web service technologies, e.g. REST, SOAP.

Advoco is an equal opportunity employer. Advoco does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status. At Advoco we believe that diversity and inclusion among our team is essential to our success as a company, and we endeavor to recruit, develop and retain the most talented people from a diverse pool of candidates.
